FOR IMMEDIATE RELEASE

CALTRANS TO INSTALL NEW TRAFFIC SIGNAL ON STATE ROUTE 74

SAN BERNARDINO – The California Department of Transportation (Caltrans) will install a traffic signal on State Route 74 (SR-74) at the intersection of Hemet Street in Hemet beginning on Wednesday, September 7. The contractor, JFL Electrical of Los Angeles, will work Monday through Friday from 7:00 a.m. to 3:30 p.m. The project is expected to be completed by the end of October depending on weather.

Most of the work will be conducted in the shoulders, including the installation of some new curb and gutters at the intersection. The installation of loop detectors and the striping of the intersection may require some traffic control measures toward the end of project in October.

Please drive slowly through the work area for your safety and the safety of the workers.

BE WORK ZONE ALERT

Questions or comments can be made to Caltrans District 8 Public Affairs at (909) 383-4631. To stay on top of roadwork in the Inland Empire go to www.caltrans8.info and sign up for commuter alerts. View traffic conditions at <http://quickmap.dot.ca.gov>.
